

We Are Moving!

Please note that **effective Friday January 28, 2011** Berkshire Housing Services, Inc. (BHSI), Berkshire Housing Development Corporation and Berkshire Fund, Inc will be moving their offices from **74 North Street to One Fenn Street, 3rd floor**. All other contact information for the staff **will remain the same**. Any correspondence to the agency, its staff or properties under management for Berkshire Housing or the various properties under BHSI management should be forwarded to this new address.

Though the new office is just ½ block from our current location it is a big move in more ways than one. The physical space will be brighter and more open with a layout that will enable us to provide services in a more efficient and effective manner. Included will be an improved Housing Consumer Education Center (HCEC) where homeowners, renters and landlords can access housing information and resources. Another thing that will be big about the move is how it will improve the delivery system of housing services in the Berkshires. This is because the Berkshire County Regional Housing Authority is also moving into the building and will set up its office on the floor above us. Co-locating and creating a single location for people to access housing information, resources and programs is part of our plan to increase our collaboration with BCRHA, an organization that we already work closely with.

The relocation to 1 Fenn Street is a strategic step that will enhance our ability to fulfill our mission to improve the quality of life in Berkshire County by increasing affordable housing opportunities, providing towns and other organizations with technical assistance on housing and community development issues and offering professional property management services.

Come and visit us in our new location!
